## About Largs

Occupying a compact area of only approximately 5 square kilometres, this leafy pocket of the Hunter is ideally suited to families seeking a peaceful lifestyle close to the Maitland CBD, whilst remaining an easy five minute drive from the inner city. A heritage suburb originally settled in 1821 and boasting Australia's oldest continually running public school there are many historical homes scattered among more modern properties.

We acknowledge the Traditional Custodians of Country throughout Australia and pay respects to their elders past, present and emerging. The suburb of Largs falls on the traditional lands of the Mindaribba people.
